IMPORTANT NOTICE FOR PERSONS NEEDING ASSISTANCE

Amtrak welcomes and can accommodate customer with disabilities at most locations. Amtrak's ability to meet those assistance needs when boarding or detraining depends on availability of station facilities. Not all Amtrak stations can currently accommodate wheelchair boarding. Federal regulations implementing the Americans with Disabilities Act control the number of wheelchair locations on intercity trains and do not require that all intercity rail stations be accessible until 2010. Please check with the Amtrak Group Desk, 1-800-872-1477, to be sure that Amtrak can accommodate every member of your group at the stations you wish to use.
